## PRESS RELEASE

### **Modus Operandi Selected for Small Business Administration Award for Excellence**

**MELBOURNE, Florida, July 19, 2006 – Modus Operandi**, a leading software and information integration technology company, has been selected as one of the outstanding small business companies in the Southeast region. Modus Operandi was awarded an Administrator's Award for Excellence certificate based on its nomination by the U.S. Air Force Research Laboratory in Rome, New York. The SBA awards honor small businesses based upon excellence in the areas of overall management, technical capabilities, cost and delivery performance, resource utilization, financial strength, labor relations, special achievements, customer interface, and exceptional results.

Says Modus Operandi President and CEO, Peter Dyson, "We're extremely honored that the Air Force nominated Modus Operandi for this SBA award. Receiving the Award for Excellence validates the contributions of our employees in their continued efforts to deliver sustained world-class results to our customers, and fuels our passion for excellence."

#### **About Modus Operandi**

Modus Operandi provides products and services to connect people with enterprise information. Since 1984, the company has been on the forefront of information integration technology advancement. Today, Modus Operandi provides semantic integration technology and services to address complex information integration challenges.
